*Go Green!*  
*Go Green!*  
*Go Green!*  
*Go Green!*  
*Go Green!*

Let's go green.  
Change the scene.  
Let's go green  
Join the team.

Let's go green.  
Let's go green.  
*Go Green!*

Let's go green.  
Change the scene.  
Let's go green.  
Join the team.

Let's go green.  
Let's go green.  
*Go Green!*

Reduce the stuff you use,  
limit your supply.  
Turn off your lights, turn off your faucet.  
Come on, give it a try.

Reuse your cardboard boxes.  
Bring a bag to the store,  
Then paper or plastic will no longer be a question at the door.

Let's go green.  
Change the scene.  
Let's go green  
Join the team.

Let's go green.  
Let's go green.  
*Go Green!*

Recycle your materials, create something new.  
Newspapers, plastic bottles, towel rolls will do.  
Clean out your closets, the garage, the backyard shed.  
Donate your things to organizations for others to use instead.

Let's go green.  
Change the scene.  
Let's go green  
Join the team.

Let's go green.  
Let's go green.
