Sometimes I use colors to describe how I feel.  
All the rumblings and tumblings inside me are very, very real.  
When I can't find the words to say what I feel inside,  
I open my box of crayons so I don't have to hide.

Colors, colors,  
Colors of my heart.  
Red, purple, pink, and blue,  
Are only just the start.  
Colors, colors,  
Colors that are real.  
Orange, violet, rose and green,  
Are the colors that I feel.

I look at the world around me and learn from what I see.  
Using my crayons to guide me I can be all I can be.  
I've got a box of crayons inside my heart.  
Whatever I am feeling I can turn into art.  
Color my World for you to see.  
Color so you can understand me.

Colors, colors,  
Colors of my heart.  
Red, purple, pink and blue,  
Are only just the start.  
Colors, colors,  
Colors that are real.  
Orange, violet, rose and green,  
Are the colors that I feel.

Reach inside your heart and you'll find it's true.  
You have a box of crayons inside just for you.  
You can shadow your sadness,  
Decorate your happiness,  
Or paint your wide-eyed surprise!

Orange, violet, rose and green,  
All the colors in between.  
White, brown and black and grey,  
Colors we use every day,  
Are the colors that I feel.
