From the album "Music 'n Movement TOGETHER!"

I've got two ears, I've got two eyes.
I've got two calves, I've got two thighs.
I've got two cheeks, I've got two lips
I've got two knees, I've got two hips.

I've got ten fingers
I've got ten toes
I've got a whole bunch of teeth,
but I've only got one nose
Got curly hair a top my head
which looks really funny when I get out of bed.

If you have two legs, two feet and two knees
You can do what I do, pretend to climb a tree
Climb, climb, climb, climb. Weeeeeeeee!

I've got two, two, two.
Look what I can do, do, do.
I've got 10, 10, 10!
Let's do it again, again, again!

I've got two, two, two.
Look what I can do, do, do.
I've got 10, 10, 10!
Let's do it again
Let's do it again!

Ears are great they can wiggle,
And when they do I just giggle,
I squeeze my nose,
and make it squeak,
or make it honk,
with just a tweak

My arms go up, my arms go down.
And my two shoulders go round and round.
My knees go in, my knees go out.
My two hands can shake, shake, shake all about.

If you have two wrists, two hands, and two arms.
Push the siren on the fire truck and sound the alarm.
Wheew! wheew! wheew! wheew! Weeee!

I've got two, two, two.
Look what I can do, do, do.
I've got 10, 10, 10.
Let's do it again, again, again!
