*Hello friends*

*How are you*

I'm glad you've come to play.

The day has begun, *let's have some fun,*  
and make the most of this special day.

Before we begin let's put on a grin,

*There's something we must do.*

Expand our horizons, make some friends  
by saying *hello* to someone just like you.

*Al salaam a'alaykum, (Ahl sah-LAHM ah ah-LAY-koom), is how you say hello in Arabic. Say it with me, Al salaam a'alaykum.*

*Now try Hebrew, Shalom. (Sha-lome), Shalom. Very good.*

*Ni hao, (Nee HaOW), is Chinese. Try it, Ni hao. Great!*

*In Swahili you say Jambo. All together now, (Jahm bo), Jambo! Good job!*

Hello World can you hear me?

I'm ready for something new.

Hello, Hello, Hello!

Making friends with the World and you.

*Annyong (ahn-yahn ha say yoh) is how you say hello in Korean. Say it with me, annyong.*

*Now try Portuguese, Bom dia, (bohn DEE-ah), Bom dia. Very good.*

*Privet, (preev-YET), is Russian. Try it, Privet. Fantastic!*

*In French you say Bonjour, (bohn-ZHOOR). All together now, Bonjour! Great job!*

Hello is a word, you've already heard.  
It's the key that opens up this room.  
We open our hearts and open our World,  
by saying hello.....  
by saying hello.....  
by saying hello to someone just like you.....  
To someone just like you.....  
To someone just like you.
